

USE OF PHOTOGRAPHIC AND VIDEO IMAGES OF CHILDREN / YOUNG PEOPLE

The Guernsey Netball Association (GNA) is committed to providing a safe environment for children/young people under the age of 18 to participate in netball. Essential to this commitment is to ensure that all necessary steps are taken to protect children/young people from the inappropriate use of photographic images.

The GNA have adopted the following good practice guidelines issued by England Netball:

Publishing Images

Through the use of a Consent Form, we will ask for the permission of young players and their parents/carers to take and use their image.

- If a player is named, we will avoid using their photograph.
- If a photograph is used, we will avoid naming the player.
- We will NEVER publish personal details (email addresses, telephone numbers, addresses etc) of a child/young person.
- We will only authorise the use of images of players in suitable dress (tracksuit, on-court clothing i.e. t-shirt/shorts/skirt, off-court clothing).

More details on the England Netball guidance around taking and use of photographic and recorded images of young people is available to download here:

The GNA will take all steps to ensure these images are used solely for the purposes they are intended, which is the promotion of Guernsey Netball. If you become aware that these images are being used inappropriately you should inform GNA's Protection Officer by emailing protection@guernseynetball.gg

When ticking 'Yes' to photo / video consent, you agree that the GNA and their approved agents have the right to use the images taken during Guernsey Netball activities. This includes any reproductions or adaptations of the images for all general purposes (GNA social media, newspaper, magazine or other printed promotional articles and including Internet web page content) and at any time, in relation to the work of the Guernsey Netball Association.
